The tennis club is opening its gates to host an open day on Saturday 6 April 2013 and encourages everyone to come down and see what the club, at the heart of the Juniper Green community, has to offer for them.

As well as on court junior coaching lead by British Tennis qualified, new club coach Eoin Swan there will be fun off court activities including refreshments, table tennis, face painting and a bouncy castle for the younger tennis players among us!

The open day will provide a taster for parents and children into the upcoming junior coaching programme beginning in April 2013 which will offer professional, fun and affordable lessons on Friday afternoons for children of all ages and abilities.

The open day is not just for children however, the club extends a warm welcome to new adult members looking to get involved in tennis.

The club particularly focuses on the importance of "social tennis" providing members with a social network to link with other members of the club. With regular match play mornings, family events and social tournaments days Juniper Green tennis club ensures a friendly and welcoming atmosphere to encourage everyone to play tennis. We hope to see you and the whole family at the open day!
